Summer vibe, summer vibe
I'm looking for a summer vibe, got me turning on the
radio, I gotta kick these blues
Working all day, trying to make pay, wishing these
clouds away
I want to feel the sunshine, hit the sand
Take a walk in the waves, with nothing else to do
But sipping on suds, working on a buzz, keeping my
drink in the shade
Taking my time
With you by my side
A Cadillac ride
Jamming with the boys
Bonfire at night
Summer vibe
Looking for a summer vibe
I paid my dues
Got nothing to prove
Laying on the dock, just talking to you
Summer vibe
Looking for a summer vibe
I'm jonesing for a good time, hitting beaches all down
the coast, I'll find a place to post
Gonna somehow, find a luau, dance this old night away
I'm drinking something blue from a coconut, music all
up in the place, under the moonlight
Taking my time
With you by my side
A Cadillac ride
Jamming with the boys
Bonfire at night
Summer vibe
Looking for a summer vibe
I paid my dues
Got nothing to prove
Laying on the dock, just talking to you
Summer vibe
Looking for a summer vibe
And the sun goes down
But it'll rise again tomorrow
Oh

EH-O, EH-O, EH-O BOP BOP AWAY-O
With you by my side

Jamming with the boys
Bonfire at night

Summer vibe
Looking for a summer vibe
