Baby tonight out on the floor, I wanna see you shake yo
thang
Like you never shook before tonight
Baby get close to me that's how it's supposed to be
Girl when you dance with me shake shake your body

The way you move it's turns me on, got me thinkin
freaky things
We can do when we're alone tonight
Baby get close to me that's how it's supposed to be
Girl when you dance with me shake shake your body

(Hook)
Let me see you shaky it on the dance floor
Girl get freaky wit me what you think I'm here for
You got me open wishin and hopin
That you get a little freaky with me

Can't help but stare when you dance, gon put my body
against yours
Just as soon I get the chance tonight
Baby get close to me that's how it's supposed to be
Girl when you dance with me shake shake your body
It's gonna feel, like makin love, when your bodies close
to mine
Baby we gon bump and grind tonight
Baby get close to me that's how it's supposed to be
Girl when you dance with me shake shake your body

(Brigde)
It's the way that your making me feel
You got me feenin and I just can't deal, you got me
feenin for you love
The way you move and the way you groove I wanna see
you shake it

(Rob jackson)
I like big booty girls who drank apple martinis
You tight you look like you look nice in bikinis
Believe me how freaky it's easy I'll take ya
On trips let you strip on my ship in jamaica

I'm open I'm scopin I'm hopin I'm wishin
Some thinkin this dance in the club is auditions
And here go yo chance you don't wanna miss it
You shake it it's straight to vacation we dippin
