It's breaking my heart, to say this is true,  
I've been thinking bout another one while making love  
to you,  
So sorry babe  
But I love you to much, to treat you this way,  
But enough is enough, there's no more that I can say  
But please can you forgive me

I've been unfaithful, emotionally  
Cause when I'm with you I'm thinking bout her  
And baby, I'm so sorry emotionally

You say I'm no good, cause my thoughts aren't of you,  
And you really need to get away and if that's what you  
gotta do  
Then girl I understand it  
But it hurts me so much, to see you walk out that door,  
To know that your not coming back that even hurts me  
more  
All because I, been

I didn't wanna do you this way  
Baby if you would please just stay  
I never meant to cause you no harm  
Emotionally I was just having some fun  
(Repeat)

I've been unfaithful, emotionally  
Cause when I'm with you I'm thinking bout her  
And baby, I'm so sorry  
Emotionally
