It's four in the morning, she blowin up my phone
talkin bout she want it, wanna know if I'm alone
and can she come over, she say she need a fix
and she can't sleep, until she get it in

I give her what she wants, she hits it then she's gone
and there ain't nothing wrong with her
The sex is like a drug and she can't get enough
It's like she fell in love, and she keeps on fallin

She's a lovaholic, she got a habit
She's a lovaholic
She's a lova holic, she's my addict
She's a lovaholic

O O O O O O O
O O O O O O She's a Lovaholic
O O O O O O O
O O O O O O

I got her going, she tearing off my clothes
say she in a hurry, Im like baby take it slow
she wants it now so I hope that your ready
cause girl its going down

I give her what she wants, she hits it then she's gone
and there ain't nothing wrong with her
The sex is like a drug and she can't get enough
It's like she fell in love, and she keeps on fallin

Ace Hood:

Huh
Why the long face babe what's matter
Never seen anotha chick much badder
It ain't a nigga with this much swagger
Funny when you down I can make you laugh huh
Can't get enough of this love she addicted
Never settle for the duties of a mistress
She call me daddy when I'm in it in the back benz
Give her shock sparks hittin her with da good dick
She's a lovaholic and her features flawless

Out of East New Orleans and I love that
She told me she can do me better than my ex ho
Now I got her hook on its the best tho
Shorty suck it so good got a strep throat
She in love with a Gee like 1k
Mind frame on Ace she a One Way
Good love make you better on bad day
