Shawty looking real serious, the way she work her body
Man she dangerous, I can't lie she got me curious
I want it all, she so hot and so furious
This girls like whoa, her bodies like whoa
Baby girl she's got me wanting more
I can see she got experience
The way she work her body I can't get enough

Baby girls like
Oooh wee, oooh wee, oooh wee, oooh wee
She got me like
Oh, oh, oh, oh, oh
Lil mama's like
Oooh wee, oooh wee, oooh wee, oooh wee
She got me like
Oh, oh, oh, oh

Lil mama got me feeling her
A couple more drinks and ima leave with her
And I don't care who came with her
Ima do my thing with her (shes leaving with me)
First we to the bar, then we to the car
Baby don't you go to far
Your looking real serious, the way you work your body
I can't get enough

She got me like oooh wee, girl put on this two-piece
We gon make a movie I do you, you do me yeah
These new sheets old paper girl but don't lose sleep
You can lose the clothes but don't lose me
Let cupid go but don't shoot me, I aint tryna fall for you
tonight
Ima ball and do it right, pick you up and break you off,
3-2-1 we taking off
Come fly with me, come ride with me, I take you any
where you wanna go
To the moon and kiss the stars, if your man call just
disregard
Hit the mall you can get it all, buy him a shirt just to
pisse him off
Come fly with me, come ride with me, baby girl your
