Baby I know inside you feel sad  
But I want you to know, baby you found a friend  
And baby I know you made your mistakes  
And it's ok, cause I'm here till the end

I know it's hard for you to realize  
That I'm the one for you  
Hope some day soon you reconize  
Baby you want it to  
Baby I'm here

Baby I'm right here waiting on your love  
Waiting, waiting waiting

Baby tell me if I am wrong  
But the way that you look at me  
I just gotta be yours  
And baby when we spend time alone  
Do I make you happy, cause I'm happy  
For sure

I know exactly what you looking for  
Girl I'm the one for you  
Baby when you ready I'll give you more  
You know you want me too  
Baby I'm here, waiting for you

Cause baby girl you deserve,  
More than he's giving to you  
Whenever you say the word  
I will come running  
Anything you ask I'll do  
For you
