I've got nothing to say
I've got building blocks for teeth
And a tube sock for a tongue

I can't do anything
I can't do my hair right
Or have a good time
Or fall asleep with my girl

If you don't wanna see
The worst in me
You've got two choices
Cover your eyes
Both hands tight or just leave

I don't know what I think
I'm unsure that I could
Or couldn't care less or more
About everyone I do or don't know

If you don't wanna be
With a dead beat like me
I won't blame you
I won't blame you
I won't blame you

If you don't wanna see
The worst in me
You've got two choices
Cover your eyes
Both hands tight or just leave
