I'm usually not one to speak up
But your decisions of late are by all accounts
Pretty fucked up
(and not in a good way)
And I heard about you in that alley
If even half of it's true then
I'm not surprised that you've been
Kicking yourself to sleep

And who pulled who's hair on who's head?
I'll tell you--it told me more of you
Than you did

I heard about you and Alli
If even half of it's true then
I'm ashamed of you and your sense of loyalty

Oh, and who found who's hair in whose bed?
I'll tell you that it told me more of you
Than you did
Oh, and who found who's hair in whose bed?
I'll tell you that it told me more of you
Than you did
