My head's still rich,
But my heart's still broke.
It feels like I've been here
Too many times before.

So even though I stopped this once not so long ago,
I never made my mistakes; you'll never reap what you
sow.
(Never reap what you sow.)

So now I've said that this has gone too far.

Woah, you'll never know.
Woah, you'll never know.
Woah, you'll never know.
Until we're gone.

Sticks and stones may break my bones but:
(What happens next?) I guess we'll never know.

(I guess we'll never know.)

Woah, you'll never know.
Woah, you'll never know.
Woah, you'll never know.
Until we're gone.

It's just you & me
Through all these inconsistencies.
Like the way you move,
When no one's watching you.

She's got me in my own head filling it up with
aspirations.

It's just you & me
Through all these inconsistencies.
Like the way you move,
When no one's watching you.
