Iâ€™ll be the silver lining around your fence
You use to protect yourself from all the world,
And it's sharp teeth,
Because my open hand and heart think you belong with
me.

Youâ€™ll be,
Wrapped around my fingertips.
But my paralysis is indefinite
And my eyes are froze for you.

Iâ€™ll be the silver lining around your fence
You use to protect yourself from all the world,
And it's sharp teeth,
Because my open hand and heart think you belong with
me.

Iâ€™ll be the silver lining around your fence
You use to protect yourself from all the world,
And it's sharp teeth,
Because I am all for you.

I was the one who kept myself standing tall,
You were the light at the end of the hall.
I followed bright signals sent my way,
Because Iâ€™m steady day by day.

So now Iâ€™m swimming in slow seconds with you.

Iâ€™ll be the silver lining around your fence
You use to protect yourself from all the world,
And it's sharp teeth,
Because my open hand and heart think you belong with
me.

But still Iâ€™m fighting; still Iâ€™m fighting for you.
Thatâ€™s what it comes down to.
Still Iâ€™m fighting still Iâ€™m fighting for (you)
But still Iâ€™m fighting and
Iâ€™ll just keep trying until itâ€™s all about what canâ€™t
happen when you lose.

But still Iâ€™m fighting; still Iâ€™m fighting for (you.)

Iâ'll be your silver lining.

Still Iâ'm fighting & Iâ'll just keep trying Â'till
Itâ's all about what canâ't happen when you lose
Still Iâ'm fighting, still Iâ'm fighting for you.
Iâ'm fighting for you.
