Some say he's an angel, an angel of love. Some say
he's the stars in the sky, and the moon up above. But to
me, he is Jesus. He's all this and more. He is our savior
sent from God. Unto us, he was born. So you say what
you want to, but remember this well, It's not just in the
land or the trees, but in your heart that he dwells.
Yes, he is our savior, the one we adore. He loves us
from sea to shinning sea, and from shore to shore,
although we all do wrong, he still stands by our side. It
was for us, you and me, and our sins that he died. So
you say what you want to, but remember this well; It's
not, just in the land or the trees, but in your heart that
he dwells.
