Look around you
You see a city of gold
You're a star, wherever you go
Where - where you are
Is where I wanna be the most
Every step that we take brings us closer, closer

So come with me girl
I'm on the way
(Lets go - oh oh oh)
Hey pretty girl let's fly away
(We'll fly away..oh oh)
And every day is like a Saturday night
(okay)
That's how we're livin' our life (oh)
How we're livin' our life

Put your hands up (oh)
And touch the sky
Counting 3-2-1
Yeah you blow my mind
We can stay up (oh)
And dance all night
And when tomorrow comes we'll do it one more time.
(Oh)
One more time
(Oh)
We'll do it one more time

Let me show you (let me show you)
How much you mean to me
Girl I want you (girl I want you)
More than material things
Girl I love it (girl I love it)
When you wind it wind it real slow-ow
I'll never never let you go
(Oh)

So come with me girl
I'm on the way
(Lets go - oh oh oh)
Hey pretty girl let's fly away

(We'll fly away..oh oh)
And every day is like a Saturday night
(okay)
That's how we're livin' our life(oh)
How we're livin' our life

Put your hands up(oh)
And touch the sky
Counting 3-2-1
Yeah you blow my mind
We can stay up(oh)
And dance all night(night)
And when tomorrow comes we'll do it one more time.
(Oh)
One more time
One more time
(Oh)
And when tomorrow comes we'll do it one more time.
(Oh)
One more time
One more time
(Oh)
And when tomorrow comes we'll do it one more time.

One more time
One more time
Let's go
(Put your hands up) x2
Can't get enough it's the way that you move
I just wanna see, I - I - I just wanna see ya

Put your hands up
And touch the sky
Counting 3-2-1
3-3-3-2-1

Put your hands up
And touch the sky (and touch the sky)
Counting 3-2-1
Yeah you blow my mind
We can stay up(oh)
And dance all night
And when tomorrow comes we'll do it one more time.
(Oh)
One more time
One more time
(Oh)
And when tomorrow comes we'll do it one more time.
(Oh)
One more time
One more time

(Oh)
And when tomorrow comes we'll do it one more time.
(Oh)
One more time
One more time
(yeah) (put your hands up x2)
One more time
One more time
(Oh)
And when tomorrow comes we'll do it one more time.
