Don't you dare come home  
Until you've opened your eyes.

Cos you have one billion fucking problems  
I've had enough and I am walking away

Cos you have one billion fucking problems  
I've had enough and I am walking away

It starts with 'R' and it's called Respect  
It starts with 'R' and it's called respect.

It starts with 'R'  
It's called respect.

Cos I'm so sorry baby (Oh Shit)  
A fork in the road  
You chose the left, I chose the right.

You can rant, and rage you facebook whore  
But you ain't getting anymore

Trying to show you love, you showed my face  
(You showed my face)  
An open palm.  
An open palm.

Rosey Cheeks.

Cos I'm so sorry baby (Oh Shit)  
A fork in the road  
You chose the left, I chose the right.

I'm done and dusted  
With this.

I'm done and dusted  
With this.

You showed my face, an open palm

I'm done and dusted  
With this.
