

Where's The Sheep? "Deeply In Love"

Visit "[Deeply In Love](#)" on MotoLyrics.com

In my life You've heard me say
I love you
How do I show You it's true
Hear my heart, it longs for more of You
I've fallen deeply in love with You

You have stolen my heart
I'm captivated by You
Never will You and I part
I've fallen deeply in love with You
(You...hoo...)

You and I, together forever
Nothing can stand in the way
My love for You grows stronger
Each new day
I've fallen deeply in love with You

Deeply in love
Deeply in love with you...
(You...hoo...)

You have stolen my heart
I'm captivated by You
Never will You and I part
I've fallen deeply in love with You

Jesus, You've stolen my heart
I'm captivated by You
Never will You and I part
I've fallen deeply in love with You...
I've fallen in love with You...
Hooo...hmmm...
