For all the times I felt cheated
Oh, I complained
You know how I love to complain
For all the wrongs I repeated
Though i was to blame
I still cursed that rain
I didn't have a prayer, didn't have a clue
But out of the blue

God gave me you to show me what's real
There's more to life than just how I feel
And all that I'm worth is right before my eyes
And all that I live for though i didn't know why
Now I do, 'cause God gave me you

For all the time I wore my self0pity
Like a favorite shirt
All wrapped up in that hurt
For every glass I saw, I saw it half empty
Now it overflows like a river
Through my soul
From every doubt I had, I'm finally free
I truly believe

In your arms, I'm someone new
With every tender kiss from you
Oh, I must confess
I've been blessed

God gave me you..
