"Mohican Tunes"

In the tube a gang in black.
Purple stubble and tiger strap.
They make a stink, some get freaked out,
By the volume of the mohican sound.

Mohican tunes, play the fuckin' mohican tunes!

And down the tunnel in a crew, a girl is dancing to
mohican tunes.
And at the gig the air is tense, cause mohican tunes
blow up their brains.

And down the tunnel in a crew, a girl is dancing to
mohican tunes.
And at the gig the air is tense, a sheer fit hits the
audience.
Switch it on and play it loud, listen to the wildest sound.
A filthy mob hangs 'round the place. Filth and leather,
pins and chains.
