I'm not yours  
You are mine  
Let that sink in  
Like the Mary Rose

She went down  
With a heavy load  
But who is this fading flower?

Come to life  
In the spring  
I was shaking from your sting  
But you should know  
In like lamb  
Out like a lion  
I came in like a lamb  
Out like a lion

We grew up  
So we were told  
Time just leaves us  
Out in the cold

But seasons change  
I'm getting warm  
A feline in mohair

I come to life  
In the spring  
I was shaking from your sting  
You should know  
In like lamb  
Out like a lion  
Yeah I came in like a lamb  
Out like a lion

I come to life  
In the spring  
I was shaking from your sting  
You should know  
In like lamb

Out like a lion  
I came in like a lamb  
Out like a lion  
I came in like a lamb  
Out like a lion  
I came in like a lamb  
Out like a lion
