[Part I]

Floods and famine rape the dusty land  
Devils orchids bloom in desert sands  
Power dynasties and monarchies  
Shaping the new worlds destiny

Kings and Queens wage bloody wars  
Power and gold still seeking more  
Enslaved by greed and tastes of sin  
The new world order shall begin

Light that once was inside of men's souls  
Black with greed and demonic control  
Dark alien looks on from afar  
Awaiting the rise of the seventh star

Kings and Queens wage bloody wars  
Power and gold still seeking more  
Enslaved by greed and tastes of sin  
The new world order shall begin

[Part II]

Demons scream as seeds are sewn in sin  
Men enchanted by the devil's grin  
Blood on the hands of all now sets the stage  
Eve of a new time and of a new age

Religion and power a dark possession  
Gods and idols a lost obsession  
Seeking a key to the gates of Babylon

Demons took man on a carpet ride  
Diamonds blinded him from the divine  
Forever a slave the curse goes on and on

Men consumed as lust for power grows  
Storms of war bring forth a blackened rose  
Centuries pass the song remains the same  
Men still chasing Gods with different names

Religion and power a dark possession  
Gods and idols a lost obsession  
Seeking a key to the gates of Babylon

Demons took man on a carpet ride  
Diamonds blinded him from the divine  
Forever a slave the curse goes on and on
