Aaaahhh!!!

Well I've said it before
And I'll say it again
You get nothing for nothing
Expect it when you're backseat driving
And your hands ain't on the wheel

Now it's easy to go
Along with the crowd
And find later on that your say ain't allowed
Oh, that's the way to find
What you've been missing

So we're heading out to the highway
I got nothing to lose at all
I'm gonna do it my way
Take a chance before I fall
A chance before I fall

You can hang in a left
Or hang in a right
The choice it is yours to do as you like
The road is open wide
To place your bidding

Now wherever you turn
Wherever you go
If you get it wrong
At least you can know
There's miles and miles to put it back together

So we're heading out to the highway
I got nothing to lose at all
I'm gonna do it my way
Take a chance before I fall
A chance before I fall

On the highway
On the highway

Ooh, making a curve

Or taking the strain
On the decline
Or out on the wain
Oh, everybody breaks down sooner or later

We'll put it to rights
We'll square up and mend
Back on your feet
To take the next bend
You weather every storm that's coming atcha

So we're heading out to the highway
I got nothin' to lose at all
I'm gonna do it my way
Take a chance before I fall
So we're heading out to the highway
I got nothing to lose at all
I got nothing to lose at all
