We hunt the world y'all, southern style  
Just some good ole boys  
White tail, monster bears  
Country boys, makin' noise  
Elk, Turkey, Pronghorn  
It's time to get your hunt on  
Bows, guns, havin' fun  
Let's get some huntin' done

Everbody come gather round  
Southern boys gon' lay it down  
Better bring the kids, we gotta teach 'em  
They're the future, we gotta reach 'em  
We came to hunt, we brought some friends  
Like Stone Cold Steve Austin  
John Michael Montgomery might come on through  
Picked here to hunt, right here for you  
We've got the best poor staff around  
Doug, Tom, and John coming to your town  
With Troy Gentry, Brent, and Wooley  
Josh and Heather, There's no one better  
Old Mike Beatty, he's the man, the world record, y'all  
understand  
With Greg Zipadelli, Hal and Ken  
Come on y'all, let's go huntin' again

We hunt the world y'all, southern style  
Just some good ole boys  
White tail, monster bears  
Country boys, makin' noise  
Elk, Turkey, Pronghorn  
It's time to get your hunt on  
Bows, guns, havin' fun  
Let's get some huntin' done

We lock and load, go do our thang  
Huntin' the world for all kinds of game  
Bears, boars, birds, bucks  
Southern boys in camo trucks  
Worldwide on the outdoor channel  
So y'all tune in and bring a friend

We huntin'baby, fishin?  
Come on y'all let's southern style  
Drink ya sweet tea up in the tree  
Drop a 12-Point buck from a quarter mile  
We bass fishin', hog huntin', turkey shootin',  
Game runnin', mud boggin', camoflagen  
Puttin' it down, so y'all can watch it  
Huntin' The World is the name of the show  
Better ask somebody if you don't know

We hunt the world y'all, southern style  
Just some good ole boys  
White tail, monster bears  
Country boys, makin' noise  
Elk, Turkey, Pronghorn  
It's time to get your hunt on  
Bows, guns, havin' fun  
Let's get some huntin' done
