"Yeah,sorcita! nu nam-o wan gumba!"

Yeah,we've been in the fightin games lately  
Like were playin a gun,yeah!  
I can't remember what the hell I've tried  
You and me we ran across the black of the celin'  
I can't live without my gun....The hell is coming

Wow,wow,woow!  
Might he kill'em,might me kill again,killin it! X4  
I am hell,sir X4

Yeah,while I imagine in my gear the brother start to  
tremble  
Raw nerve impound the black end  
Let me wrap my mouth and get healin  
Love gets her shoutin' and the beast is shoutin'

Wow,wow,woow!  
Might he kill'em,might me kill again,killin it! X4  
I am hell,sir X4

Yeah,well I am-a rollin'  
I'm rollin' harder in cold breathin'  
Wanna get up early,  
I get a more to clip me deeply

Yeah,keep holdin' me baby  
Youre movin' faster in my feelins  
A-bite down early  
I want a chance to dig it in you!  
Yeah! reach down and light my roll and feel it let me  
run it through you  
I took for fighting,  
And I live in myself when I'm feelin'  
A little fightin' and the .....beast is shoutin'!

Wow,wow,woow!  
Might he kill'em,might me kill again,killin it! X4  
I am hell,sir X4
