On and on
On and on
On and on
On and on

On and on
It's the final hand of God
On and on
It's the final hand of God
On and on
It's the final hand of God
On and on
It's the final hand of God

Forged in flames of devils fire
A bond in demons blood
Iron melts in sun and steel
Await the crimson flood

Raining blood shall wash the skies
Foreseeing her return
Crushing all false prophets lies
The crosses start to burn

Into the sun, together as one
We shall rise to take them on
Power of night, lightning strike
Waves of fury rolling on
Truth shall prevail, she will avail
Freedom from chains we are as one
Strike of the sword, dark overlord
Reflecting in electric sun

So the sun shall rise
In skies of Babylon
Vengeance in her eyes
The goddess marches on

Machine of steel, a metal god
The beast it shall return
She the devils witch, a blood bitch
For whom Hells fires burn

She will come with serpents strike
To take back Satan's crown
Demons scream and break the chains
Shaking underground

Into the sun, together as one
We shall rise to take them on
Power of night, lightning strike
Waves of fury rolling on
Truth shall prevail, she will avail
Freedom from chains we are as one
Strike of the sword, dark overlord
Reflecting in electric sun

So the sun shall rise
In skies of Babylon
Vengeance in her eyes
The goddess marches on

So the sun shall rise
In skies of Babylon
Vengeance in her eyes
The goddess marches on

She is the truth that forever shall be
She is the light that will set your soul free
She is the sun setting in a crimson sea
The goddess marches

With her sword raised high in the sky
Riding lightning the metal gods cry
Princess of Hell, bringing the dawn
The goddess marches on

Ooh, ooohh, oooohhh
