Hey, Miss Magdalen girl sympathy mind hey, Miss
Magdalen girl power. Power off, yeah grant a flesh
show meek inherit nothing but death song queen sex
go-go moving like a bad dream promised so long ago
blessed art thou among women is this easy come is thi
s easy go mingled with fear you get what you wish wish
wish wish wish Gabriel get out this is my Nazareth
wicked joy trembling town wicked joy be a raging
machine chosen worthy to explode a king a king king
king king king king king drilling down deep inside
heartache tests the pain girls on the bar swing around
danger does the sam Magdalen Magdalen Magdalen
Magdalen peace grants suspicious crashing like some
animals southern terror claws scream "How can this
be?" Mary, Mary sex machine Mary. Mary r aging on
beat, beat beat girl this is what you need this is what
you need now now now
