Brute force side-split
Live and let die

Dealing I am
Triumph blood is
Thicker water
Getting
Power hungry

Track down weak flesh
Some like it hot
High roll get down
Fist face get down

Dull years
Strait jacket baby
Wired from 10 years

Bending the rules

Sweating time
In the hot house
Toyland broken yea
Eating away
All fascination
Got the power
To get away

Steel crush destroy
Call of the soul
Money mindstorm
Run for your life

Dealing I am
Triumph blood is
Thicker water
Getting
Power hungry

Future alive
Robot city
Take what I need
Young stuff
Get down

Taking refuge
In a breakdown
Extermination
Starts the
Takedown
Forming a theme
Staple characters
Flying god-head

Non-conforming
Precision
No direction
Collision
Accelerating
Evolution
Dinosaur
Revolution
Slaughter house
Blood slamming
Emotional
Bitch scamming
Impossible
Demonstrate it
Power hungry
So I
