"25 Days Of Christmas"

I want to take off some time,
Get the the world off my mind,
And treat myself to a vacation.

I'm ready ended to go,
And I thought you should know,
I wanna spend some time with ya baby.

Maybe there's just something about this time of year.
Something in the air just make me want you near.

We're gonna share 25 days of Christmas baby,
24-7 with the family.
25 days of celebrating,
24-7 it's a holiday.

I feel like getting away and I wanna place,
So baby use your imagination.

This is your moment to shine and at this moment,
You might be object of my fascination.

Maybe there's just something about this time of year.
Something in the air just make me want you near.

We're gonna share 25 days of Christmas baby,
24-7 with the family.
25 days of celebrating,
24-7 it's a holiday.

It's a holiday
