Hey now just what are we feelin'?  
Is this more than attraction that we both are dealin'  
with?  
And is it in the cards that we stay together?  
I recognize the odds against it lastin' forever.  
There's a message that you're sendin' i can see it in  
your eyes.  
But i don't know what you're thinkin' i can't read your  
heart or mind.  
If you wanna make tonight a fantasy, just say the word,  
i'll take you on a  
Journey.  
Chorus:  
Talk to me!  
Tell me what's on your mind.  
Talk to me!  
What are you feelin' inside?  
Talk to me!  
What are you thinkin' of?  
Talk to me tonight about love.  
Ooh hold me right up against you.  
'cause when you groove up close to me i'm feelin' your  
rhythm.  
Just whisper in my ear what's goin' on inside you.  
I just wanna hear if you feel like i do.  
Oh, open up your heart there's nothin i want more,  
Show me the light and tell me what you came here for.  
Don't keep it to yourself just improvise.  
Just lose yourself let out what you're feelin' inside.  
Chorus  
There's a message that you're sendin'' i can see it in  
your eyes.  
But i don't know what you're thinkin' i can't read your  
heart or mind.  
If you wanna make tonight a fantasy, just the word i'll  
take you on a  
Journey.  
Chorus  
Talk to me!  
Tell me that you want this!  
Talk to me!

Baby just move your lips.  
Talk to me!  
What are you thinkin' of?  
Talk to me tonight about love
