

Oxymoron "21st Century"

Visit "[21st Century](#)" on MotoLyrics.com

Let's gratify your inmost desires
click it on that all you must do
and right on your screen there's porno
queens,
all the rest you've dreamed of, too.
Or check (out) the ultimative site where your
need's satisfied
is this a brave new world for you
while there's the KKK and a(nother)
fascist regime
lurking out there still next door

[Chorus:]

In their factory of lies (Luck's for sale)
luck's for sale low price
(Luck's for sale)
trouble-free and multi-coloured
your chance, you wannabe
... this is the 21st CENTURY

(Now) you can run free all fantasies
no more boundaries left for you
Get off on all kinds of perverties
and a death cell web cam, too.
What a glorious life, it's so easy and
safe
as anonymous voyeur
but it's all bollocks to me I'd rather
like to smash my TV
let alone the ads they show

[Chorus:]

In their factory of lies
everything's so multi-coloured
A consumer's paradise
who thinks of poverty
21st CENTURY

[Chorus:]

In their factory of lies
future's bright and nice
harmless, clean and multi-coloured

if you wanna pay the price
