

Oxymoron "Hit The Road"

Visit "[Hit The Road](#)" on MotoLyrics.com

Daily other places and weÃfÃ§Ã,Ã£ÃçÃ€"e still going
on
Plenty of new faces cos the nights are long
Tearing down the highway, full speed ahead
miles uncounted, the vanÃfÃ§Ã,Ã£ÃçÃ€" become our
bed
...I really missed all that

All bottles empty so we gotta stop
hey what a country ?weÃfÃ§Ã,Ã£ÃçÃ€"e not sold a
drop
heading for the venue for another kill
out and up now because weÃfÃ§Ã,Ã£ÃçÃ€"e on the bill
...and play we will

[Chorus:]
Chaos across the nation - we HIT THE ROAD again
Chaos and fun and booze for free ?thatÃfÃ§Ã,Ã£ÃçÃ€"
how lifeÃfÃ§Ã,Ã£ÃçÃ€" to be
Chaos across the nation ?letÃfÃ§Ã,Ã£ÃçÃ€" go to HIT
THE ROAD again
(...up the next decade)

Living like a rover, troubles where we get
getting pulled over - oh, how weÃfÃ§Ã,Ã£ÃçÃ€"e used
to that
One room at a motel for the six of us
the rest too short cos our next showÃfÃ§Ã,Ã£ÃçÃ€"
away some hours
...and we stuck in bars
