[Verse I]

Peace to the world.
Power to the people.
Life to the real
Death to the evil.
Try to be a blessing to the ones that need you.
Avoid the leeches,
Show your love to all the ones that feed you.
Homie, turn the volume up and let this music free you.
The natural Mystic got me lifted;
I'm 'bout to lead you.
On the ground, while I blaze up.
Get raised up. Ni**a, way up.
Even if I stop right now I'm never coming down.
Life is so much better -
When you leave all the fuck shit behind.
That's why I always keep it positive
And I'm going to stay like this forever.
Keep working hard and you goin' get your time.
Homie, you goin' get your time.
I feel mine's is coming right now.
That's why I'm going this hard.
I'm a shift, pop it like 'Pow.'
And when I'm back In my hood.
Me and my cousins be rollin'.
Told all my family get ready
Because the plays is in motion.

[Refrain]

And there's some ni**as that's real.
There's some ni**as that's not.
There's some girls that be faithful.
And some be trickin' a lot.
It's some friends that be there,
When you need them the most.
But some go away 'til you strugglin'
And they turn and get ghost.
But man I ain't trippin',
I'm all that I got.
Just one man on a mission,

I'm tryin' to get to the top.
Man, I ain't trippin',
I'm all that I got.
Just one man on a mission,
I'm tryin' to get to the top.

[Verse II]

"Back in the days when I was young,"
I'm not a kid anymore.
Yesterday is somewhere we'll never go.
No regrets, just lessons learned.
Fucked up Æ– let it burn.
Never loose sleep on mistakes.
No stress, no stress.
So blessed, with this fire in my stomach
'Cause I finally found my way.
Man, that's all I ever wanted.
Wayward Minds.
I ain't walking down this road, I'ma run it.
Ni**a, fuck the speed limit, let's gun it.
"Got to go 100 if you really tryin' to get it
Ain't nobody make it to the top bullshittin'."
Wisdom from the older heads
Ni**a, did you miss it?
Only fools hate the game.
Boy, you better get with it Æ– with it.
Me and my dawgs showed 'em how to do it properly.
It's too many ni**as slippin',
All this sleepin' got 'em sloppy.
I'm yelling, "wake up!"
The time is right now
Man, I'ma get it while I'm livin' then I'm out.

[Refrain]

And there's some ni**as that's real.
There's some ni**as that's not.
There's some girls that be faithful.
And some be trickin' a lot.
It's some friends that be there,
When you need them the most.
But some go away 'til you strugglin'
And they turn and get ghost.
But man I ain't trippin',
I'm all that I got.
Just one man on a mission,
I'm tryin' to get to the top.
Man, I ain't trippin',
I'm all that I got.
Just one man on a mission,
I'm tryin' to get to the top.
