Brought to you by the 4 Corners of the world...

Chaz Malone (hook):

So come on, isn't this ironic
You've fallen apart and you haven't even started.
But you were talkin' like you knew what to expect from
me...
You were so wrong.

Will Brennan (verse 1):

Surprise, yup! Surprise, yup!
I'm lovin' that look on your face.
You thought it was over?
Never imagined me finding a way
To flip the script and turn the tables around.
Breaking me down was like your favorite hobby.
Now your speechless, can't even make a sound.
Nothin' to say, my love?
C'mon I'm listening
So many words before, did you forget them then?
I guess you realized your wrong about all your
predictions, then?
So open your mouth, now take your for and stick it in!

Chaz/Will (refrain):

You don't deserve my revenge.
That's why I'm holding it in.
I got a smile on my face
And I'm happy that you made it
To see the way that this ends.
You know you should have believed what I was saying
Baby, don't you hate it?

Chaz Malone (hook):

So come on, isn't this ironic
You've fallen apart and you haven't even started.
But you were talkin' like you knew what to expect from

me, expect from me.
But you were so wrong!
So come on, isn't this ironic
You've fallen apart and you haven't even started.
But you were talkin' like you knew what to expect from
me, expect from me.
But you were so wrong!

Will Brennan (verse 2):

I bet you wish you could have seen the future, baby so
do I.
'Cause if you could have seen this comin' I bet you
would have tried.
So much harder to be down for the entire ride
By my side, now your by yourself watchin' me bout to
fly!
You know what I think, my love?
I think you'll be just fine.
Back on the bottom
No longer my problem
So have an awesome time!
And every day that I get further away from the starting
line
And closer to the finish, remember that yours is
suppose to be part of mine.

Chaz/Will (refrain):

You don't deserve my revenge.
That's why I'm holding it in.
I got a smile on my face
And I'm happy that you made it
To see the way that this ends.
You know you should have believed what I was saying
Baby, don't you hate it?

Chaz Malone (hook):

So come on, isn't this ironic
You've fallen apart and you haven't even started.
But you were talkin' like you knew what to expect from
me, expect from me.
But you were so wrong!
So come on, isn't this ironic
You've fallen apart and you haven't even started.
But you were talkin' like you knew what to expect from
me, expect from me.
But you were so wrong!
But you were so wrong.
So wrong,

You were so, you were so wrong
You were so wrong, so wrong
You were so, you were so wrong!
