(Hook - Spoon sample):

We make love to some with sin  
We seek out the taciturn  
That's the way we get by  
The way we get by  
Oh that's, the way we get by  
The way we get by

Will Brennan (verse 1):

Black dude, breakin' rules  
Living it like I'm trying to win.  
Head first, shallow pool?  
I don't really care I'm diving in.  
Rollin' up with my finest friend  
Smoking up the whip I'm riding in.  
Bad behavior, nothing major  
Feelin' like it's that time again.  
Wanna get a little shining in.  
Tell the world to listen up!  
Wayward mind's a dangerous mind  
But doing it the hard way made us tough  
Doin' our best with the lives we love.  
Puttin' in work with the friends we trust  
Takin' our time, homie, ain't no rush.  
But I gotta get there, no slowin' up!

Will (refrain)

They say: I'm loosing my mind  
I'm headed down the wrong road  
And I should stop it.  
But I don't see nothin' I'm doing that's killing me.  
They say I need to slow down  
I'm going way too fast  
Somebody stop him!  
But ain't nobody that know how to get ride of me.

(Hook):

That's the way we get by

The way we get by  
Oh, that's the way we get by  
The way we get by  
That's the way we get by

Will Brennan (verse 2):

I'm thinking the problem is you  
Look at how boring your life is  
You saying that's how we should live?  
What's wrong with a little excitement?  
There's always a chance you could fall,  
Anytime you thinkin' of flying  
Well, maybe I'm crazy  
Or maybe my bravery's finally rising  
'Cause I ain't scared  
No I ain't scared, I'm good to go!  
Learned a couple lessons, that's good to know  
Had a few struggles, that's good for growth  
Living on edge, trying to make the most  
Of every new day that I'm blessed to see  
Freedom is the ultimate  
And that's something I'm blessed to be!

Will (refrain):

They say: I'm loosing my mind  
I'm headed down the wrong road  
And I should stop it.  
But I don't see nothin' I'm doing that's killing me.  
They say I need to slow down  
I'm going way too fast  
Somebody stop him!  
But ain't nobody that know how to get ride of me.

(Hook):

That's the way we get by  
The way we get by  
Oh that's, the way we get by  
The way we get by  
That's the way we get by

Will Brennan (verse 3)

I took the lessons with me  
I let the drama stay  
Only depending on myslef, just like my mama say.  
Oh yeah, I'm doing good!  
And I hope you're doing great  
See, I still wish the best for you

Even though I know you fake  
Even though I know you shady  
Even though I know you hate  
Even though I know you life, every time your ass go to  
conversate  
Even though I know you grimy  
Even though I know you green  
Stuck in that nightmare of a life  
While I'm about to live my dream!

(Hook):

That's the way we get by  
The way we get by  
Oh that's, the way we get by  
The way we get by  
Oh that's, the way we get by  
The way we get by  
That's the way we get by
