I don't wanna fall asleep alone,
But do I wanna wake up with you?
If we both agree, why is it so hard?
Yeah, I don't wanna fall asleep alone,
But do I wanna wake up with you?
If we both agree, why is it so hard?

Take off that face, don't be afraid
Don't press erase, don't feed my craze

It seems the pain of this, is never going away
And the bits I love are all grey
My hits go down every day
I'm like a ping pong ball being bounced around
Screw you
Cause I'm not coming home to you
I'm addi-di-di-di-dicted to you
And I'm not coming home
Screw you

I would take a kiss from you tonight
Cause baby I'm feeling alone
Do you still want me? Why is this so hard?
Yeah I would take a kiss from you tonight
Cause baby I'm feeling alone
You're heavy on my knee

Take off that face, don't press erase
Don't be afraid, don't feed my craze

It seems the pain of this, is never going away
And the bits I love are all grey
My hits go down every day
I'm like a ping pong ball being bounced around
Screw you
Cause I'm not coming home to you
I'm addi-di-di-di-dicted to you
And I'm not coming home
Screw you

Take off that face

Cause I don't wanna see you anymore

Cause I don't wanna fall asleep alone,
But do I wanna wake up with you?
If we both agree, why is it so hard?
Yeah, I don't wanna fall asleep alone,
But do I wanna wake up with you?
If we both agree, why is it so hard?

I'm addi-di-di-di-dicted to you
Why is it so hard?
I'm addi-di-di-di-dicted to you
Why is it so hard?
