So many billions, so many billions of bullets we've  
become,  
We are civilians, we are civilians but just do not give us  
guns.  
I would shoot you down from the side,  
Just like you would me,  
We've lost nothing, and besides,  
I'd just become a thief.

Someone's knocking on the door you know,  
We've got so many things to hide,  
Did you listen to the radio?  
Do you know what's happening outside?

This is a market, this is a market you can buy anything  
you want,  
A flying carpet, a flying carpet for your car if you're in a  
rush,  
I don't wanna buy a gun,  
Even though I can, I can  
I would shoot you, I would run,  
But I'm still an evil man, yeah

Someone's knocking on the door you know,  
We've got so many things to hide,  
Did you listen to the radio?  
Do you know what's happening outside?

Ooh, someone's knocking on the door,

But I would shoot you down from aside,  
Just like you would me,  
We've lost nothing, and besides,  
I'd just become a thief.

Someone's knocking on the door you know,  
We've got so many things to hide,  
Did you listen to the radio?  
Do you know what's happening?

Cause someone's knocking on the door you know,

We've got so many things to hide,  
Did you listen to the radio?  
Do you know what's happening outside?
