The army's on ecstasy, so they say  
I read all about it in "USA Today"  
They stepped up urine testing to make it go away  
'Cause it's hard to kill the enemy on ol' MDMA  
Said the King of Contradiction to the Queen of Mystery  
The Prince of Paradox, he dogs me like a flea  
So I'll set my troops upon him and bring him to his  
knees  
When all is said and done I'll pick a flight with the  
Chinese  
The Queen she stared him long and hard and then she  
softly said  
"I'll rub you down with linseed oil to ease your  
throbbing head"  
She slipped a note into an apricot and then threw it to  
the whores  
The jester read the words, "Something wicked this way  
roars"  
The army's on ecstasy, so they say  
I read all about it in "USA Today"  
They stepped up urine testing to make it go away  
'Cause it's hard to kill the enemy on ol' MDMA

The price they put upon the heads of folks with  
poignant views  
Would be better spent on the children without shoes  
And when the King condoned the actions of the liar  
He forgot to weight the awesome power of the village  
crier  
The army's on ecstasy, so they say  
I read all about it in "USA Today"  
They stepped up urine testing to make it go away  
'Cause it's hard to kill the enemy on ol' MDMA

The army's on ecstasy, so they say  
(An Oriental language)  
I read all about it in "USA Today" (An Oriental  
language)  
(An Oriental language)
