"Cry"

Give me something to defend
Something I can comprehend
A simple plan , a happy end
All's wanting me to
Need I say I hate this thrill
Of finding holes I cannot fill
Against all odds against my will
All's wanting me to
Hear you cry
..Hear you cry
Give me something just a clue
Something borrowed , Something new
All's wanting me to
And Yes I'll bak you to the hilt
I will help you take that pill
Knowing I'll respect your will
All's wanting me to
Hear you cry
..Hear you cry
All's wanting me to
Laugh out loud
As to pretend
You're only sleeping little friend
There's no Beauty in This Hurt !
You're dozing off but you have to swim
You're dozing off but you have to swim
I still hear you cry
Give me something to defend
Something I can comprehend
A simple plan , a happy end
All's wanting me to
Need I say I hate this thrill
Of finding holes I cannot fill
Against all odds against my will
All's wanting me to
Hear you cry
All's wanting me to
Laugh out loud
As to pretend
You're only sleeping little friend
You're only sleeping little friend

There's no Beauty in This Hurt !
You're dozing off but you have to swim
You're dozing off but you have to swim
I still hear you cry
