Youre ready to bop
Youre in for a fall
Im inhaling
Im inhaling it all
Are you in lack of stars?
Are you in lack of sky?
Or are just annoyed?
Bored cause you are?
Are you brought up to sit back and wait for waves?
Youre ready to bop
Youre in for a fall
Im inhaling
Im inhaling it all
Are you in lack of stars?
Are you in lack of sky?
Or are just annoyed?
Bored cause you are?
Are you brought up to sit back and wait for waves?
Barrenness evokes rapacity
Assassins out of poverty
Poem sick, I rap crap, rhyme dead
Apple of the tree
Displeased at my capacity I sample
Amplify an example
I fold back, transplant
Talk around, heard ya
I shout blue murder
Its like I can't get any further
I claim affability
Gainsay the reality
This hypertrophy policy, it shows
Are you still in bed?
Are you stressed and tied?
Are you emotional?
Or just locked this way?
Are you in lack of stars?
Are you in lack of sky?
Or are just enoyed?
Bored cause you are?
Are you brought up to sit back and wait for waves?
