Baby girl it's plain to see  
All of them things that you're doing to me  
While I got you oh so near  
Them things you do just send me there  
I wanna be your man, yeah, ha  
I wanna be your man

People try to put you down  
Talking that jive all over the town  
I don't mind what the people say  
Gonna talk that jive just in any old way  
I wanna be your man, hey, ha  
I wanna be your man

Give me loving with the things you do  
You make me feel, so brand new  
It's just me and you  
Over your house, and only you  
I wanna be your man, hey, ha  
I wanna be your man  
Hit me now

Well, I don't mind if the sun don't shine  
Cause I give my loving in the evening time  
And when the reaper comes along  
Just stick me down in a hole in the ground to rot  
I wanna be your man, hey, ha  
I wanna be your man  
I wanna be your man, hey, ha  
I wanna be your man
