Alright, Alright, Alright.. La la La la

Love, love is just a gamble,
But I'm always gonna win,
Always gonna win,
(Baby sing it now)

Love, love is just a gamble,
But I'm always gonna win,
Always gonna win,
(Alright)

I may win your love today,
Why why why,
Maybe I'll lose your love tomorrow,
Why why why,
And I won't come running after you,
I won't cry over you.

Love, love is just a gamble,
But I'm always gonna win,
Always gonna win.

Love, love is just a gamble,
But I'm always gonna win,
Always gonna win.

Oh yes your lovely,
Give me your lovin,
Your sweet lovin,
I want it,
I need it.

I've seen many men who have praise,
Why why why,
For a girl who has pretty face,
Why why why,
Til the end she's just a disgrace,
To the human race.

Love, love is just a gamble,
But I'm always gonna win,

Always gonna win.
(Let me walk right in)

Love, love is just a gamble,
But I'm always gonna win,
Always gonna win.
(Alright)

Give me your love,
I want your love,
Alright,
Oh la la la,
I want you to turn me on,
I wanna turn you on,
Uh huh.

I've seen many men who have praise,
Why why why,
For a girl who has pretty face,
Why why why,
Til the end she's just a disgrace,
To the human race.

Love, love is just a gamble,
But I'm always gonna win,
Always gonna win.
(Let me walk right in)

Love, love is just a gamble,
But I'm always gonna win,
Always gonna win.
(Alright)
