31 year young lady  
Youâ€™re a woman not a girl  
Most of the girls my age  
Could learn something from you  
And I could too  
31 year young lady  
It is not that hard to say  
That I think you and I would be a good team  
But I swallow my tongue anyway

If there was a girl like you my age  
If there was a girl like you my age  
I would still be with you anyway  
But Iâ€™m eight years too late  
Oh oh oh  
Yeah yeah

I am willing to embarrass myself  
Just to make you laugh  
Most of the times you and I exchange jokes  
No one else in the room understands  
31 year young lady  
Tell me how can I catch your brown eyes  
Sure enough just my luck you found another guy  
But that is not a surprise

If there was a girl like you my age  
If there was a girl like you my age  
I would still be with you anyway  
Oh

Iâ€™m gonna build a time machine  
Travel to 1979  
Iâ€™m gonna build a time machine  
Itâ€™ll be easier to make you mine  
Or maybe I could age quicker  
Or maybe you could become younger  
If not, who cares that weâ€™re so many years apart  
Age is just a number  
Yeah right

Girl you must be an astronaut

Girl you must be an astronaut  
Girl you must be an astronaut  
Girl you must be an astronaut  
G-G-Girl you must be an astronaut  
Girl you must be an astronaut  
Girl you must be you must be you must  
â€˜Cause youâ€™re out of this world  
Take me to the moon

31 year young lady  
My face is turning red  
Turning red due to the cheesy pickup lines that I said  
31 year young lady  
You turned me down when I asked you on a date  
But you and I and the whole world knows Iâ€™m a  
sucker for you anyway

Iâ€™m gonna build a time machine  
Travel to 1979  
Iâ€™m gonna build a time machine  
Itâ€™ll be easier to make you mine  
Or maybe I could age quicker  
Or maybe you could become younger  
If not, who cares that weâ€™re so many years apart  
Age is just a number

And when I was playing with Ninja Turtles  
You were overcoming those teenage hurdles  
While I was learning my ABCâ€™s  
You were dividing x to the second by three  
While you were stressing over final exams  
Mom got mad at me for tearing holes in my pants  
And if love sees no color  
Love doesnâ€™t care about numbers  
Darling I-I donâ€™t see any color  
So I donâ€™t really care if youâ€™re  
A 31 year young lady  
31 year young lady
