Ms. Lucy Noland you're a scream  
You said you cook Vietnamese cuisine  
I am more of a bacon burger boy  
But for you I like I'd eat anything  
You are quite a globetrotting girl  
Alaska, New York, California  
What a small world  
Don't get freaked out babe  
I don't stalk you that much  
It's just that you make my brain twirl

Just one date  
That's all I ask  
I hope it's not too trying of a task  
Just one date  
That's all I ask  
And then I'll let the world have you back

I don't wanna go all Anchorman on you  
Ms. Noland you can slap me if I do  
No no I'm not kind of a big deal  
But if you give me a shot  
I think that I could be, it's true  
And I can't say that I'm a Tigers fan  
I mean Kid Rock, Detroit does what it can  
But with Enron, Anna, dis-Astros and the smog  
Houston is a magical land

Just one date  
That's all I ask  
I hope it's not too trying of a task  
Just one date  
That's all I ask  
And then I'll let the world have you back

No I won't  
No I won't  
No I won't  
But if you want me to I will  
I will  
But if you don't (if you don't)  
If you don't, what a happy man I will be

Yeah yeah yeah  
Woo hoo

KHOU anchorgirl  
Youâ€™™ re my world  
You make me say ooooooooooh  
Ooh la la ooh la la  
KHOU anchorgirl  
Youâ€™™ re my world  
You make me say  
Please let me be your anchorman
