You were in the passenger seat
When you had asked me if I've done hardcore
drugs
A part of me thinks that if I told you yes
Maybe I would've earned your love
So if that's the case then everything I'm about
to tell you is true

It all started with a little sip of beer
Then another, then another til I couldn't see clear
So I smoked cigarettes and moved on to cigars
I decided my teeth are bad enough as they are
I wanted to lighten up so I drank hard liquor
Then what do you know I started looking even sicker
Weed and mushrooms might as well be my brothers
My drug dealer might as well be my own mother

Momma I'm in love
That is just why I do drugs
If she wants a train wreck here I am
Going off the rails just to be her man

Yes I scour for heroine as if I'm a vulture
I'm not a rebel at all
I conform to my culture
So I took a lot of speed and Tylenol
On my way down from ecstasy I collapsed at the mall
Some jerk called an ambulance because he thought I
was dead
The paramedics even put me in the ICU bed
Woke up and snorted cocaine
It went to my brain
Pink elephant told me "Henry you are going
insane."

Mr. Elephant I'm in love
That is just why I do drugs
If she wants a train wreck here I am
Going off the rails just to be her man

Yeah and LSD is cool
But then I did codine

I gotta tell you nothing's better than a slow motion
spleen
They say "Crystal method, it will kill you."
Well I did it twice so now I know it ain't true
Ahhh oh no no no no no oh no no yeah yeah yeah
yeah yeah yeah

Crack is whack
That's not true it's your friend
Quality time me and my crack pipe like to spend
On my acid trip you know I really could've used a
kiss
Abraham Lincoln had two heads and he was looking
pretty pissed
Mr. President please

Mr. President I'm in love
That is just why I do drugs
If she wants a train wreck here I am
I'm not even gonna go to a 12 step program

"Cause oh I love her so
Choo choo like Ralph Wiggum I choose you
Choo choo I hope that you choose me too
Choo choo I'll make you boohoo
"Cause you know I'll love drugs more than you

But of course, if you're not attracted to boys that
do drugs
Then I just want you to know that I don't do drugs
Or better yet, it's you that changed me
And as of three hours ago I am completely clean and
sober
And it's all because of you.
