Are we rolling?
Alright

Milk, yogurt, and ice cream
They don't mean nothing to me
I fear lactose
Milk, yogurt, and ice cream
They don't mean nothing to me
LACTOSE!!!

I gotta disease
You can't get it from me
It is known as lactose intolerancy
I have been cursed by a cow
I don't know why but I sure know how
Low in fat but high in evil
Milk puts me in full retrieval

Milk, yogurt and ice cream
They don't mean nothing to me
I fear lactose

I ate a pancake when I was in Helsinki
But you might as well say I drank a fart martini
Ben and Jerry
They're not such bad guys
But I know soy is my only ally

Milk, yogurt, and ice cream
They don't mean nothing to me
I fear lactose

(Beat boxing with wiki wiki wiki at end)

Milk, yogurt, and ice cream
They don't mean nothing to me
I fear lactose
Milk, yogurt, and ice cream
They don't mean nothing to me

You take your bowl of cereal for granted every moment

that youâ€™re awake
There is a battle within my stomach and I think itâ€™s
making my heart break
And in this internal war of digestion
You wonâ€™t find me in the dairy section
Is there anyone that feels my pain
â€˜Cause I despise the cow and all it stands for

Milk, yogurt, and ice cream
They donâ€™t mean nothing to me
I fear lactose Milk, yogurt, and ice cream
They donâ€™t mean nothing to me
I fear lactose

So donâ€™t tell me that the glass is half full of milk
â€˜Cause if it is
Oh, itâ€™s half empty to me
Donâ€™t tell me that Iâ€™m not cool
â€˜Cause Iâ€™ve been trying really hard to cover it up
you see
Oh la la la la la la la la la la la la la la la la
I fear lactose
La la la la la la la
I said no cheese please
MOO!
