I wanna make a living off of music  
But everybody just steals it now  
Everybody including me  
But I want to make a living somehow  
So I'm gonna make ringtones  
Yeah sell my own ringtones

Hey you're listening to the Without a Face ringtone  
From the studio straight to your cell phone  
No more room for 3 minute songs  
I only write ones 20 seconds long

I want to make a living off of music  
But people hardly even go to shows  
I admit there's a lot of traffic  
So I too hardly even go  
But I'm gonna make ringtones  
Hey everybody ringtones for sale

Hey you're listening to the Without a Face ringtone  
From the studio straight to your cell phone  
No more room for 3 minute songs  
I only write ones 20 seconds long

I hope it's worth your time  
And I hope that it is worth your cash  
Dare I say I hope it's worth both  
Pay me no mind  
Pay me no mind  
Is it a crime?

And it is alright to feed me and fuel me  
Buy my shirts and wear them proud  
It is alright to feed me and fuel me  
Buy my songs and play them loud  
Yeah it is alright to feed me and fuel me  
Buy my shirts and wear them proud  
It's alright to feed me and fuel me  
Buy my songs and play them loud

Hey you're listening to the Without a Face ringtone  
From the studio straight to your cell phone
