Bittersweet taste  
Had to make haste  
But there's no poison in me  
Twas a pleasure  
Twas a treasure  
My homeboys you'll always be  
They don't hand out the lottery  
You got to go buy a ticket  
And even that's no guarantee  
That you will even win it  
I've got one life  
I'd rather die than not feel alive but stuck  
The band broke up

Hmmmmmm hmmmmmm  
There ain't no anger  
Ain't no danger  
I just feel a bit free  
I myself and me  
You can't just sleep if you want your dreams to  
become your reality  
And even if I'm clinging to straws  
At least I jumped in the sea  
I've got to try  
I'm just one life  
But still my decision sucks

The band broke up  
Well technically I left  
The band broke up  
Only the band name I kept  
The band broke up  
And I'm doing alright  
The band broke up  
Oh and I'm doing just fine  
The band broke up  
Nah nah nah nah nah nah nah  
The band broke up  
Nah nah nah nah nah nah nah  
The band broke up  
Nah nah nah nah nah nah nah  
The band broke up

Nah nah nah nah nah nah nah

Hmmmmmmmm hmmmmmmmm

I came back on all it now

I simply blame me

For having a revelation

I didn't help them see

Flying solo's been rough

Since the band broke up
