Once again pushed to the edge,  
kicked to a crawl.  
You only find your spine,  
when your back's to the wall!

Looking around,  
trying to set things straight.  
All you ever do,  
is overcompensate.

Pushing against me,  
with all your weight.  
It's my life,  
not yours to dictate!

I'm taking this one step at a time,  
this is my life, not your party line!  
You're either with me, or against,  
it's time to reveal where your motives rest!

Never give up,  
never back down!  
We're living in  
a world of hate!

Never give up,  
never back down!  
Fall down seven times,  
stand up eight!

Never give up,  
never back down!  
This life is gonna  
mess you around!

Never give up,  
never back down!  
We once were lost,  
but now are found!

They say the road to failure,  
is paved with good intents.

I'm so sick and tired of being  
stuck on the fence!

I'm done dealing  
half measures!  
I'm going all in,  
raising the stakes!

I know,  
you're bluffing!  
And now I'll get revenge,  
no matter what it takes!

Never give up,  
never back down!  
We're living in  
a world of hate!

Never give up,  
never back down!  
Fall down seven times,  
stand up eight!

Never give up,  
never back down!  
This life is gonna  
mess you around!

Never give up,  
never back down!  
We once were lost,  
but now are found!

You say you know me,  
I don't even know myself!  
I won't make a plea,  
I can free myself!

**NEVER BACK DOWN!**

Never give up,  
never back down!  
We're living in  
a world of hate!

Never give up,  
never back down!  
Fall down seven times,  
stand up eight!

Never give up,

never back down!  
This life is gonna  
mess you around!

Never give up,  
never back down!  
We once were lost,  
but now are found!
