One eye closed to the world, the other traded for
vengeance!

An endless cycle of destruction, while we preach
progress!

Greedy fucks, passin' the buck! We're stuck in flux,
SICK OF IT ALL!
stupid wars, driving us poor, you've got a lot to account
for!

Your head's so far up your ass, but everyone seems to
call this 'class';
and all these things may fade away, but your lies and
deceit are here to stay!

Blind airstrikes and collateral damage, are your tools
of the trade!
In a bid to police the world, with endless aggression!

Greedy fucks, passin' the buck! We're stuck in flux,
SICK OF IT ALL!
stupid wars, driving us poor, you've got a lot to account
for!

Your head's so far up your ass, but everyone seems to
call this 'class';
and all these things may fade away, but your lies and
deceit are here to stay!

You try to bring us down, to our knees!
We won't be bought out by liars and thieves!

Greedy fucks, passin' the buck! We're stuck in flux,
SICK OF IT ALL!
stupid wars, driving us poor, you've got a lot to account
for!

Your head's so far up your ass, but everyone seems to
call this 'class';
and all these things may fade away, but your lies and
deceit are here to stay!

SICK!
OF!
IT!
ALL!
