

Witness To Treason "Static"

Can you hear the static,
the white noise?
Can you hear the thoughts
that they've destroyed?

A culture in denial,
brainwashed!
We've all but forgotten
what we've lost!

Let's go!

Change the books,
to turn the tables.
Give validity,
to lies and fables!

Mute protest,
fills our bones,
yet we still
kneel to the throne.

The time is now,
it's do or die.
TWO AND TWO,
MAKE FIVE!

War is peace!
Freedom, slavery!
Ignorance,
is strength!
(The mantra of oppression!)
(The mantra of our lives!)

Kept under,
a watchful eye.
With thought police,
on standby!

A generation,
born into.
Constant oppression,

and kept subdued!

"This is how,
it is.
When we live,
in times like these."

War is peace!
Freedom, slavery!
Ignorance,
is strength!
(The mantra of oppression!)
(The mantra of our lives!)

Keep calm and carry on.
KEEP CALM AND CARRY ON!
KEEP CALM!
I'm calm.

War is peace!
Freedom, slavery!
Ignorance,
is strength!
(The mantra of oppression!)
(The mantra of our lives!)
