I've been waiting for so long,
Five days till you get back home (Five days)

I'm so glad you'll be back soon
Four walls to my lonely room (Four walls)

Nobody wants you like I do
Three little words that I love you

And I know you love me too
Two hearts that I know are true

Five days till you get back home
Four walls to my lonely room
Three little words that I love you
Two hearts that I know are true

Five days.
Four walls.
Three words.
Two hearts

Five, four, three, two, one, precious love

I know what I'm counting for
But I don't have to count no more

Cuz I know that you'll be with me
From one till eternity

Five days.
Four walls.
Three words.
Two hearts

Five days.
Four walls.
Three words.
Two hearts

Five days.
Four walls.

Three words.
Two hearts

Five days.
Four walls.
Three words.
Two hearts

Five, four, three, two, one, precious love

Five, four, three, twoooooo, one... precious... love
