[wiz khalifa]
yeah
ask yourself
how fly (haha)

[wiz]
i guarantee u leave the club with us you wont be the
same
they cant help it c'mon those bitches know its the
planes
let all my money talk for me what more can i say
that money what we see and as soon as i put my key

[curren\$y]
you put your feet in
money wat we seeing
we'll reach the fuckin ceiling,
i put my key you put your feet in
money wat we seeing
we'll reach the fuckin ceiling

[curren\$y]
my car ride by without the boom and system
i rather spend that loot on my engine
aww hail to chief, ive been one hell of an indian
but settlin in teepees aint sittin well wit me, see
i need plenty green acres and ez wider papers
got that od game in me sega? versus lazars
to the left i played her
but you treat her right sucka
what i get in one night you wait a couple months for
u love her, i cut her
she woken i was gone only weed crumbs on the cover
yeah spitta did it like that jus how i said it in my raps
respect it dont i keep it real
said i fuck u good and dissappear
aint that what i did
niggas talkin down on the planes better shutup
im fed up waitin on valet to pull my vette up
u better get up tryin to be cute bitch im a leave u
uh huh girl she said please too she no crazy

[wiz]

i guarantee u leave the club with us you wont be the
same
they cant help it cmon those bitches know its the planes

you put your feet in
money wat we seeing
we'll reach the fuckin ceiling,
i put my key you put your feet in
money wat we seeing
we'll reach the fuckin ceiling

[wiz khalifa]

drunk nights goin through my phone tryin figure out
which one wana get at
u already home cookin and grindin my weed for me
i jus left the club but ill be there in a minute
take the lock off the door and that way u wont even
have to listen for me
oh yeah and leave sum light on in the kitchen darling
i mess with the badest hoes gotta go over seas to?
trees she got em rolled
dont got to deal with jealousy cause she not involved
aint trippin on a man cause she got her own yeah
independent askin beastle im the one they callin
beat her then im in the win no breakfast in the morning
fill, im in the out like its fast food
get to know me say good morning jus a rap dood
payed the cost to be the boss no tax due
now my money feelin like its tatoood yeah

[wiz]
