Yeah, Whatcha know about nightmare night, son?

Welcome fillies and Gentlecolts  
No reason to scream  
Your Favorite Princess is back  
She's walkin' up on the scene  
She has been stuck on the moon  
But that's no reason to fret  
She's not a nightmare no more  
So buckle up and get set  
She's comin'  
Gracin' her subjects  
She aint leavin' no choice  
She's gonna blow you all backwith her Equestrian Voice  
So Cover all of your fears  
And stowe away all your fright  
The Lunar princess is back  
To bring the nightmares tonight

She's living in the past  
So you won't last  
Without the proper care  
With a royal Farewell  
And an Animate spell  
You won't have long to Prepare

Now little fillies this is nightmare night  
Your ruler Nightmare Moon is back  
To come and fill you with fright  
So hurry  
Now get your goodies  
And fill up all your bags  
And pray above that she's not comin' back  
To came and take away your soul  
And eat you up for a snack  
So run away and go hide  
Just keep your head out of sight  
The Darkness is rising again  
Cuz this is Nightmare Night!

She's living in the past  
So you won't last

Without the proper care  
With a royal Farewell  
And an Animate spell  
You won't have long to Prepare
